# PLANNING AND DESIGN

About Us

SIGNMAX GROUP dedication to creating the highest quality products exceeding customer expectations has positioned us as one of the respected sign company in UNITED ARAB EMIRATES. Our skilled professionals, using the latest design and fabrication techniques, produce quality signage to meet our clients individual and very unique needs.

SIGNMAX GROUP has built a loyal patronage by providing our clients with quality, reliable products and efficient, friendly customer service. Industry resources allow SIGNMAX GROUP to obtain superior products and materials at the lowest prices, while always maintaining the highest quality. This ongoing commitment to maintaining solid client industry. We guarantee 100% client satisfaction for all products we manufacture.

We have employed a team of designers with highly experience in the graphic design field. We have further enhanced their artistic and production skills with the latest illustration, photo-editing, 3D, graphics and design software available today.
